FLY FISHING

Happy Valley is recognized as one of PA's best trout fishing destinations. Famed local fishing instructor Joe Humphreys, a mystic in the sport of fly fishing, still dreams of his first brown trout he caught when he was 6 years old, wading through Centre County's Spring Creek, a waterway that "runs through his soul."

Inclusive community and cultural hub for books, vinyl, coffee and connection.

Tait Farm is located in the heart of the Happy Valley and we proudly feature their handmade artisan foods on both our food & beverage menus
